

Objectives Board			
Team:	Strategic Business Continuity Team (SBCT)	Incident No:	BC-2020-001
What are our objectives in this response? What are we trying to achieve?	1. To protect consumers interests and support Local Authorities and Food Business to ensure the supply of safe food by ensuring critical functions remain fully functional and resources.		
	2. To support and protect, as far as possible, FSS staff from the Covid-19 outbreak		
	3. To respond in line with Scottish Government action plan and Framework for decision making, whilst being aware of the actions taken elsewhere in the UK, to assist with the development and implementation of the FSS recovery plan.
