

Action Note 2023/08/01: Chapter 2.4: PMI – Poultry Condition Cards

Purpose

This Action Note is to inform of the update on the poultry condition cards.

Procedure

Poultry condition cards have been updated in conjunction with FSA. The main significant change is for Condition Card number 22 for wooden breast, this has been updated to Myopathies. The rest of the condition cards have been mostly kept the same, with the main change that some comments from inspection teams have been removed.

All updated poultry condition cards can be found in SharePoint. [Link here](#).

Field Staff are required to:

- Note the contents of the Action Note, read and use the new poultry condition cards upon publication of this AN. Plant attending OV's to ensure that the Action Note is read by all FSS staff covering white meat plants and this is noted in the Action/Information Log.
- Print a copy for the plant file together with an Action/Information Log.

This Action Note will be:

- Uploaded to the Action Note Live Folder and Operation tracker log on SharePoint.
- Forwarded to Website mailbox (websiteteam@fss.scot) for publication on our website.

The Action Note will remain live until formally incorporated in the SMOC. Copies of the live and revoked Action Notes can be found on [SharePoint](#).
