

Wear clean  
overalls for  
each site

Clean your vehicle and disinfect  
the wheels, arches and steps  
before entry and exit for  
each site

Wash and sanitise your  
hands before and  
after working

# Keep out disease and protect your health during poultry catching

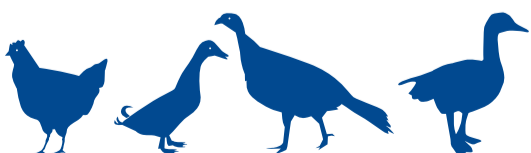

Protect your  
own health,  
always wear  
your dust mask

Clean and  
disinfect  
footwear  
on entry  
and exit

**Cleaner farms  
Better flocks**
