Dear Thomas

Having reviewed the sheet I can confirm that we are content that you include the omitted volumes in our tender response and proceed on that basis with the commercial evaluation.

Apologies for the confusion.

Kind regards
Charlotte

Subject: Food Standards Scotland Media Buying Tender - Commercial Clarification
Importance: High

Dear Sirs,

I refer to your submission for the above tender and wish to clarify a point regarding a commercial aspect of your tender response.

It is noted on the 'Radio' tab of your Master Pricing Grid that you omitted a series of volumes that were annotated in the tender documentation. This appears to be an error of administration. For the purposes of clarification, you are not requested to re-submit your tender response but I would like you to confirm that you are content that I include the omitted volumes in your tender response and proceed on that basis with the commercial evaluation. I re-iterate that only the volumes within the 'Radio' tab (as they are fixed) will be added. No other detail will be included or altered within your tender response.

I require a response, please, by noon on Thursday 5 May 2016.

I look forward to hearing from you.

Regards

Tommy McPhelim
