Hi Tommy,

Yes- just checked and can now see the volumes- won't be making that mistake again!

Happy for you to include the omitted volumes.

Thanks

Gill

Subject: Food Standards Scotland Media Buying tender - Commercial Clarification
Importance: High

Dear Sirs,

I refer to your submission for the above tender and wish to clarify a point regarding a commercial aspect of your tender response.

It is noted on the 'Radio' tab of your Pricing Master Grid that you omitted a series of volumes there were annotated in the tender documentation. This appears to be an error of administration. For the purposes of clarification, you are not requested to re-submit your tender response but I would like you to confirm that you are content that I include the omitted volumes in your tender response and proceed on that basis with the commercial evaluation. I re-iterate that only the volumes on the 'Radio' tab (as they are fixed) will be added. No other detail will be included or altered within your tender response.

I require a response, please, by noon on Thursday 5 May 2016.

I look forward to hearing from you.

Regards

Tommy McPhelim
