Dear Colleague

Invitation to Apply for Primary Production Funding 2018-2019

Further to the letter sent on 24 January 2018 by Jacqui Angus providing an update on the Feed Delivery Project, given the unlikelihood that this will be delivered before October 2018, we would like to invite you to apply for funding for primary production in 2018/2019. We will keep you informed of any changes to be made to these arrangements during 2018/2019 as a result of the Feed Delivery Project and provide as much notice as possible.

Please find attached an application form for funding for primary production enforcement in Scotland for 2018/2019. In order to allow us to confirm allocated funding before the end of March 2018, we would be grateful if you could return your application form by email to us no later than **Friday 16 February 2018** (to doreen.tawse@fss.scot). Once all applications have been considered, final Service Level Agreements will be issued for signing.

The level of funding available for local authority inspections is in line with that available last year.

Yours faithfully

Doreen Tawse
