FSS/ENF/18/015

Dear Colleague

Amendment to the Food Standards Training Manual 2017 – Manuka honey definition

There has been an update to the definition of “manuka honey” which requires to be added to the Food Standards Training Manual. This amendment will be added on page 177, after “Further Information”, on the next review of the document but has been highlighted as an amendment on our website until such a review takes place.

[Food Standards Training Manual - January 2017](#)

Yours faithfully
