Dear Colleague

Invitation to Apply for Primary Production Funding 2019-2020

Given the delay of the introduction of the Feed Delivery Project, we would like to invite you to apply for funding for primary production in 2019/2020.

Please find attached an application form for funding for primary production enforcement in Scotland for 2019/2020. In order to allow us to confirm allocated funding before the end of September 2019, we would be grateful if you could return your application form by email to us no later than **Friday 30 August 2019** (to enforcement@fss.scot). Once all applications have been considered, final Service Level Agreements will be issued for signing.

Yours faithfully

Doreen Tawse
