Dear Lead Food Officer

**Consultation on revisions to the FSS opinion on five novel food applications for authorisation and transfer of authorisation holder for five smoke flavouring authorisations.**

We want to make you aware of this consultation seeking views on minor revisions to the FSS opinions on five novel food applications for authorisation and the transfer of authorisation holder for five smoke flavouring authorisations. The consultation responses and comments provided on the opinions will be published and may be included in final Ministerial advice.

The 2 week consultation is now open and will close at midnight on the 13<sup>th</sup> of April 2022. The consultation can be accessed on the Citizen Space link below:

<https://consult.foodstandards.gov.scot/regulatory-policy/revisions-five-nf-transfer-smoke-flavouring>

Upon accessing this, you will be asked to fill in a form specifying whether you wish to have your details and response made public when responding to this consultation.

Within the consultation FSS asks specific questions in relation to the minor revisions to the novel food opinions and the transfer of authorisation holder for five smoke flavourings. Please refer to the consultation letter for further information. In your response, please describe the capacity in which you are responding e.g. enforcement authority, local authority, private individual, consumer etc.

The Food Standards Agency are also providing an update regarding the revisions to the novel food opinions and the transfer of smoke flavouring authorisation holders.

Thank you on behalf of FSS for your assistance and please do not hesitate to contact me if you have any questions.

Yours sincerely

**Joshua Evans**
