What you should do

If you have bought Hebridean Blue cheese as detailed above, do not eat it.

It is safe after heat treatment, i.e. cooking.

Instead:

- Check if you have bought the affected batch code or best before date of the Hebridean Blue
-  You can do this by taking a picture of this notice or writing down the batch code for reference at home.
- Return the product to the store for a full refund (with or without a receipt).
