## Invitation to Apply for Primary Production Funding 2015/16

Dear Colleagues

Please find attached an application form for funding for primary production enforcement in Scotland for 2015/16. In order to allow us to confirm allocated funding before the end of March 2015, we would be grateful if you could return your application form by email to us no later than **Friday 13 February 2015** (to [doreen.tawse@foodstandards.gsi.gov.uk](mailto:doreen.tawse@foodstandards.gsi.gov.uk)). Once all applications have been considered final Service Level Agreements will be issued for signing.

The level of funding available for local authority inspections is in line with that available last year.

Yours faithfully
