## Vet Careers at Food Standards Scotland

Are you a vet interested in a public health career as a government vet in Scotland? At Food Standards Scotland we're looking for veterinarians who are eligible for RCVS registration, to train as Official Veterinarians to deliver official controls and be at the forefront of safeguarding public health and animal health and welfare.

We have a working culture focussed on supporting individual growth and development, collaborative working and centred around our people.

### Benefits:

- Competitive salary, with additional pay supplement upon completion of training
- Fully paid and supported in-house training, which is estimated to take between 3-4 months
- Continuous professional development (CPD) opportunities, including fully paid training of at least 35 hours per year (RCVS mandatory)
- 5 weeks paid annual leave (plus 11.5 Public and Privilege Days), increasing to 6 weeks after 4 years
- Civil Service Pension Scheme - one of the best pension schemes in the UK
- A range of other benefits open to Civil Servants

### We ask that you:

- Are a qualified veterinarian from one of the universities approved by the Royal College of Veterinary Surgeons (RCVS)
- Have at least IELTS level 5 English and ability to achieve level 7 within maximum 18 months from starting employment
- Work well within a team, communicate clearly and take satisfaction in a job well done.
